

An Interactive Interferometer for Outreach

Thursday, 1 June 2023 10:40 (15 minutes)

We present a 3D interactive visualization of a radio interferometer that was developed for outreach. This was deployed at the EPFL Open Days event on April 29-30, 2023.

Primary authors: TOLLEY, Emma (EPFL); KRISHNA, Shreyam (EPFL); Dr PEEL, Austin (EPFL)

Presenter: KRISHNA, Shreyam (EPFL)

Session Classification: Thursday morning
