

Cosmology in the Alps 2024

Wednesday, 20 March 2024

Wednesday Morning - part 1: Gravitational Lensing/Cosmology (08:30 - 10:00)

| time | [id] title | presenter |
|-------|---|------------------|
| 08:30 | [93] Strong Lensing as a Probe of Cosmology | SUYU, Sherry |
| 09:00 | [7] Cosmic Flows : probing the dynamics of large scale structures | COURTOIS, Helene |
| 09:20 | [50] Cosmology with LOFAR | Mr BÖHME, Lukas |
| 09:40 | [112] Self-interacting dark matter impact on pulsar timing array observations | CLINE, James |
