

SKA Science Assessment Workshop - Cosmology

Tuesday, 14 January 2014

Changes to baseline configuration - Steve Rawlings Boardroom (13:30 - 17:15)

time	[id] title	presenter
13:30	[16] Current SKA baseline design (Phase 1 and 2)	Dr BRAUN, Robert
14:15	[17] Technical considerations (effect of antenna distribution, etc)	SMIRNOV
15:00	[18] Possible request for change: continuum survey	JARVIS
15:30	Coffees/Tea	
16:00	[19] Possible request for change: HI IM	SANTOS
16:30	[20] Possible request for change: WL	BACON
17:00	[26] Discussion of any outstanding issues	

Wednesday, 15 January 2014

Changes to baseline configuration: Changes to baseline configuration - Steve Rawlings Boardroom (09:00 - 10:45)

time	[id] title	presenter
09:00	[21] Summary of cosmology proposed BD changes	JARVIS
09:15	[22] Summary of pulsars proposed BD changes	
09:30	[23] Discussion of issues arising
