

Health and Safety guidelines

Here are the main Health and Safety Guidelines that must be followed on EPFL Campus:

COVID-Certificate:

- A Covid-certificate is highly recommended, but not mandatory at EPFL for events below 250 persons (therefore not necessary for SKA DAYS).

Social Distancing:

- A distance of at least 1.5 meters must be kept between people.

Masks:

- Everyone must wear a mask in EPFL buildings at all times, including while seated in all rooms.
- Speakers are allowed to take off their masks during presentation.
- Masks are also mandatory outside if the distance of at least 1.5 meters from other people cannot be maintained.

Hand Sanitizer, Hygiene-measures:

- The basic hygiene measures must also be followed. Hand sanitizer will be provided in the meeting room.
- All rooms are disinfected before and after every event.
- Meeting-rooms and Auditoriums can only be used at 2/3 of their capacity.

Food, Catering:

- No catering is allowed on campus, but coffee-breaks will be held outside on the Terrasse of Arcadie, above the Auditorium CE 3.
- Food can only be served in the Restaurants and people have to be seated.
